

Overnight Stay Service Overview

Our overnight stay service provides your beloved pets with total care and companionship while you're away from home. Our dedicated team members will stay overnight in your home, ensuring your pets receive exceptional care and attention throughout the evening, morning, and overnight.

The cost for overnight stays is a flat rate of \$100 per night, which is separate from the cost of any additional drop-in services scheduled during the daytime (if applicable).

The duration for overnight stays is upwards of 10-12 hours, during which a team member arrives within the scheduled time block in the evening, stays for at least 10 hours, and departs the next morning. If you wish to have your pets tended to during the daytime, you must schedule pet visit(s) in addition to the overnight stay service (fees for our regular drop-in services detailed here).
